

Kaz'O'zah Art Customizable Bulk Orders

We are restructuring our business and have decided to streamline our product offerings for customizable bulk orders. Below is our finalized list of items, perfect for employee gifts, workshops, conferences, etc. All items can be designed with your company or organization's colors and/or logo.

All orders must have a minimum of 10 items and will require a 50% deposit before production can begin. Please refer to the guidelines under "Prior Notice Needed," when placing an order. We want to provide you with items of the highest quality, and in order to do this we need to be given enough time for production. Late or last minute orders will be dependent on our other orders and may not be accepted. Additionally, prices will increase by 50% for any late orders.

Please feel free to contact us with any questions, and we are happy to set up a meeting to discuss the details of your order. We look forward to working with you!
